

LabExpedia PYR Overview

Quick guide for labs

What it is: PYR (Post Your Requirement) is one request for products, services, demos, samples, or info.

Why it matters: We coordinate vendor outreach, comparisons, and follow-ups in one place.

What to include: part numbers, specs, links, quantities, target price, or attach files.

If details are missing: submit anyway â we will complete the request with you.

Status flow: Submitted â Quoted â Approved â PO Received â Delivered.

Vendorâ neutral: you can specify preferred suppliers or approved vendor lists.
